

# The Sword Of The Spirit

## “Is Man Born In Sin?”

Many denominations teach that man is born in sin. They teach that Adam fell from a sinless state, and because of this event, man has inherited sin from Adam (See: Philadelphia Confession of Faith, p. 7-8, as one example). Does the Bible teach this doctrine? Let us learn the truth.

The Bible does not teach that man has inherited sin. Rather, it says, "*the soul that sins shall die*" (Ezek. 18:4, 20). We also read, "*he that doeth wrong shall receive for the wrong which he hath done: and there is no respect of persons*" (Col. 3:25). Further proof that we do not inherit sin through Adam is seen in God's conversation with Cain. God said that if Cain did well he would be accepted, but if not, "*sin is crouching at the door*" (Gen. 4:7). According to most denominations, it was too late for Cain since they teach that he had inherited his dad's sin at birth. Yet, God said it was not too late and he could be accepted. Friend, who do YOU believe? Man is not born a sinner. Man becomes a sinner when he yields to temptation and sins; not because his forefathers committed a sin (Jas. 1:14-15; I Jn. 2:15-17, 3:4)! The Bible does not teach "inherited sin" at all. Each person is responsible to God for his own sin.
